Maths Challenge – Week 6

Wavetree running track is 400 metres long.

For their PE lesson, Ms Robinson asked the year 8 pupils

to run $3\frac{1}{5}$ Laps.

What distance did they run in kilometres?

A) 3150   B) 3.25   C) 1280   D) 1.215   E) 1.28

<u>Did you know that …</u>
the Tarahumara tribe of Mexico can run hundreds of miles a day with nothing on their feet but thin homemade sandals.
