# WEEK 10 – MATHS FORM CHALLENGE

One of the digits 1 to 9 is put in each unshaded square so that no digit is repeated and the total sum of the entries in the rows and columns are as shown.

What number goes in the starred square?

			Total
			12
			7
	*		13
Total			
4	16	12	

Miss McDonald's Fun Number Fact:

"As of Wednesday 23rd November, we only have $(3 \times 2)^2 - \sqrt{16}$ left until Christmas Day!"

KEY TERMS OF THE WEEK
Mid-point: the middle of two values (found by adding the two values and dividing by 2)

Submit your answers on a piece of paper with your name and form on by the END OF FRIDAY to the box by **student services**. Winner revealed next Wednesday!
