

WEEK 29 – WEEKLY MATHS CHALLENGE

@sthildasmaths

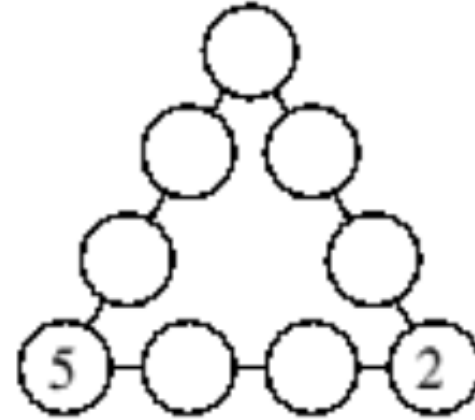

StHildasMaths

The integers 1 to 9 are put into the pattern below.

Every number is used, and only used once.

Each of the three lines sum to the same value

What is this value?

KEYS TERM OF THE WEEK

Sum: adding numbers together

Difference: subtracting numbers

Product: multiplying numbers

Mrs. McCann's fun maths fact:

"Our choirs have a total of about $10 \times (3 + 12)^2$ rehearsals a year"

Submit your answers on a piece of paper with your name and form on by the END OF FRIDAY to the box by **student services.**

Winner revealed next Wednesday!
