WEEK 3 – MATHS FORM CHALLENGE

Alberta's age has two digits in it.

She swaps the digits of her age around and adds 1 to get a new number.

This new number is exactly half of her age.

How old is Alberta?

Mrs. Weaver's Fun Number Fact:

"I do the square root of 10,000 sit-ups before breakfast"

KEY TERMS OF THE WEEK
Bisect – to divide something into two equal parts

Submit your answers on a piece of paper with your name and form on by the END OF FRIDAY to the box by the maths office. Winner revealed next Wednesday!
