Site Manager – Full time

Grade: PO1 SCP 27-30 (£39,481-£42,123), 35 hours per week (Mon-Fri) all year round

The Governors of St Hilda's wish to appoint a Site Manager. The successful candidate would become part of an enthusiastic and hard-working team.

Are you a hands-on, proactive professional who takes pride in creating a safe, secure and well-maintained environment? St Hilda's CE High School is seeking an exceptional Site Manager to lead the day-to-day management of our school site. This is a varied and rewarding role where no two days are the same. You'll oversee site security, health and safety, premises maintenance, contractor management, lettings and a small premises team, helping to ensure our staff and students can thrive in a first-class learning environment. We are looking for someone with strong practical skills, excellent organisational ability and a commitment to high standards of service.

In 2021, Ofsted judged the school to be Good. In 2025, Our SIAMS inspection found that St Hilda's Church of England High School is living up to its foundation as a Church school and is enabling students and adults to flourish. The report highlighted "St Hilda's biblically rooted Christian vision is the cornerstone and lifeblood of this school family. It is strongly proclaimed and confidently embraced, sustaining and nourishing the school's work and mission. Along with its compelling Christian values, the vision drives this exceptional school. Diversity and difference are embraced, giving dignity and allowing this community to live well together. Students are highly respectful and supportive, enabling them to appreciate and support one another to be who they are."
We are unashamedly a Christian school.

As the successful candidate, you would be joining a very close-knit, highly supportive family. We have made some significant changes; becoming co-educational, changing our vision and values, but we know that we can improve further with the right people.
